Affirmation for Prosperity

I live in a Universe of abundance. As I freely and joyfully give, I join in the Divine flow.
And all that I share with Life Returns to me, multiplied abundantly. And so it is.

Closing Remarks

Affirmation of Life

I leave this place now knowing something better than I knew before.
I go forth into the world with a heart full of love and a mind full of good sense.
I look at the world in a greater way, knowing that I have within me everything
I need to create the life I desire. I give thanks for this understanding, and
I am grateful for the Spirit of Life that lives through me. And so it is.

Change your thinking...Change your life.
